**To attend the Ben E. Keith Food Show each instructor, chaperone and student must sign and return this form acknowledging that they understand the 2007 Ben E. Keith Food Show student admission policy.**

---

- Students must be currently participating in the ProStart program or the school must be seriously considering joining the program. Otherwise, you must receive approval from Victoria Sanchez Martinez, ProStart® Coordinator.
- Non-competition registrations must be received by March 7, 2007. Late registration or on-site registration will not be allowed.
- A maximum of 20 students per school are allowed to attend.
- A ratio of 1 chaperone/instructor per 5 students is required.
- All students must stay with their respective adult chaperone throughout their entire time at the show. HIEF staff will stop students in the aisles who do not have a chaperone present.
- When walking the exhibit hall aisles, please make sure that no more than 1 chaperone and 5 students are together. Multiple groups are only allowed in the ProStart competition areas and outside of the exhibit hall.
- Students are not allowed to take exhibitor "give aways." This includes literature, take-away samples and promotional items. Each chaperone may take one give-away product or sample from each exhibitor for the group.
- Food sampling should be limited to one sample per person. Please be respectful of the exhibitor. The Expo floor should also not be treated as an all you can eat buffet; this is not considered appropriate behavior.
- Business casual dress is required. No jeans, shorts, or hats.
- Misconduct, which includes alcohol or nonprescription drug use, foul language, shouting, running, horseplay, rude or unruly behavior will not be permitted at any time while inside the doors of the Albuquerque Convention Center.
