# WE ARE

# COVID-19

# COMPLIANT

The Governor & the New Mexico Department of Health have ordered all restaurants/bars to make the following adjustments:

- Reduce Capacity to 50%
- No more than 6 seated per table
- 6 feet of separation between tables
- No bar stools or standing bar service

These adjustments are made for your safety and for the safety of our staff.

As always, we appreciate your continued patronage.
