

Face Mask Policy

I agree to wear a face mask as part of my uniform prior to entering the restaurant and the entire time I am in the restaurant other than sitting down to eat at which time I will maintain a 6 foot distance from any other co-worker, manager or customer.

I understand I am doing this for my own protection and for the protection of everyone else around me to prevent the spread of the Covid-19 virus. I also understand if I do not abide by this policy I am subject to disciplinary action up to and including immediate termination.
