## COVID-19 EMPLOYEE TESTING

STAY HEALTHY, STAY WORKING, STAY IN BUSINESS - WITH CONFIDENCE

**PCNM CAN HELP YOU SAFELY REOPEN AT NO COST TO YOU**

### INITIAL SCREENING

PCNM will provide COVID-19 testing on-site for all employees. Results will be reported in 24 hours.

### RANDOM SURVEILLANCE

After initial testing, PCNM will provide random employee COVID-19 testing as a component of an organization's overall COVID Response Plan.

### ON-SITE TESTING

PCNM will provide on-site testing for your organization to minimize work disruption while ensuring your regulatory compliance.

For more information on how to get testing for your business, contact our marketing team.
